### MY MATH ODE. BY SAM WILSON.

I remember well, though years have flown  
And childhood days are past,  
How mother would in gentle tones  
Call me to do some task,  
And how I heeded not her words  
But lingered at my play,  
'Till she would come and bring me in  
And unto me would say:  
'My darling boy, please listen,  
This life will not last long,  
Remember, boy, you'll miss your ma—  
You'll miss her when she's gone.'

The months rolled by, the seasons changed,  
My mother's words came true,  
For angels came for her one morn,  
She bade her son adieu!  
With strangers then I made my home,  
With strangers now I stay,  
And when I gaze into their eyes  
A something seems to say:  
'My darling boy, please listen,  
This life will not last long  
Remember, boy, you've missed your ma—  
You've missed her since she's gone.'

And now, I'm old and feeble,  
Have reached my three score years,  
I've seen the bustle of this life  
With all its troubled cares  
Yet through it all, these words had kept  
Within my heart each day  
A memory of my boyhood time  
When mother used to say:  
'My darling boy, please listen,  
This life will not last long,  
Remember, boy, you'll miss your Ma—  
You'll miss her when she's gone.'

### W. T. ADAMS' DEAD.

One of the Founders of this Paper  
and for 30 years Connected  
with it. His Labor Ended.

The hand that wrote more than  
any other, the items that filled  
this paper for thirty years, is now  
still in death. Mr. W. T. Adams,  
with his brother, Mr. J. J. Adams,  
who is still with the paper, founded  
the Winchester Sun.

"One is taken and the other  
left."  
His father, the late John W.  
Adams, was a citizen honored by  
all who knew him. His aged and  
venerated mother survives. Mr.  
Adams was the oldest of ten children,  
only three of whom survive,  
his brother, James, of this city,  
and two sisters, Mrs. James Watts,  
of this city, and Mrs. S. J. Wal-  
den, of Covington, Ky. Mr. Ad-  
ams was born December, 6th, 1853,  
was married October 2nd, 1878, to  
Miss Carrie Galvan, of Lebanon,  
Ind. She died September 19th,  
1900, leaving one child, Jessie,  
who was with her mother's people  
at the time of her father's death.  
Two other children are dead.

Mr. Adams was temporarily doing  
work for the Winchester Demo-  
crat. At 2 p. m. Monday, he  
started from the composing room  
to the office, when he fell. In  
a few minutes life was extinct. He  
had long suffered with Bright's  
disease but apoplexy was the im-  
mediate cause of his death. He  
had his faults.—Who of us has not?  
He was not what the world calls a  
success in life, yet he was a great  
success. The world is better for  
his having lived in it. He was  
kind and generous to a fault. There  
was not a particle of malice in  
him. He was a friend to everybody  
and everybody was his friend. He  
had superior talents as a newspaper  
man; his faculty for getting the  
news was remarkable and his man-  
ner of writing was always pleas-  
ing.—Winchester Sun-Sentinel.

### Fellow Democrats of The Ninety- first Legislative District.

Observing the interest that the  
people of the State are manifest-  
ing in the candidacy of two of our  
most prominent Democrats for  
the United States Senatorship, I  
believe it is due the voters of  
this district that they have an un-  
equivocal public expression on this  
point from any candidate for leg-  
islature that, if elected, will cast a  
vote in that contest. I would not

## Neuralgia And Other Pain.

All pain in any disease is  
nerve pain, the result of a tur-  
bulent condition of the nerves.  
The stabbing, lacerating,  
darting, burning, agonizing  
pain that comes from the prom-  
inent nerve branches, or sen-  
sory nerves, is neuralgia, and  
is the "big brother" of all the  
other pains.

Dr. Miles' Anti-Pain Pills  
rarely ever fail to relieve these  
pains by soothing these larger  
nerves, and restoring their  
tranquility.

Dr. Miles' Anti-Pain Pills  
leave no bad after-effects, and  
are a reliable remedy for every  
kind of pain, such as headache,  
backache, stomachache, sciatic,  
rheumatism and neuralgia.

They also relieve Dizziness,  
Sleeplessness, Nervousness,  
Car-Sickness, and Distress af-  
ter eating.

"For many years I have been a con-  
stant sufferer from neuralgia and  
headache, and have never been able  
to obtain any relief from various  
headache powders and capsules, until  
I tried Dr. Miles' Anti-Pain Pills.  
They always cure my headache in five  
minutes time." FRED R. SWINGLEY,  
Cashier 1st Nat. Bank, Atkinson, Neb.

Dr. Miles' Anti-Pain Pills are sold by

wish to receive the nomination I  
ask at your hands under any mis-  
understanding as to my position  
on this important question. As  
between the candidates now an-  
nounced, i. e. Judge Thomas H.  
Paynter and Senator J. C. S.  
Blackburn, I shall if nominated,  
and elected, vote for Judge Payn-  
ter as the caucus nominee, and en-  
deavor to secure his election. I  
fully appreciate the merits of both  
these illustrious Democrats, and  
believe that either would repre-  
sent Kentucky in the United  
States Senate ably and faithfully,  
but Judge Paynter is our neighbor  
and I believe that the majority of  
my people favor his candidacy,  
and shall therefore vote for him  
if I am elected.

I expect to make a through can-  
vass of the district in the interest  
of my candidacy for the Legis-  
lature, and shall see you per-  
sonally and lay my claims before  
you. I hope to receive your sup-  
port, and I want you know how I  
stand on these matters as go I along,  
because you have a right to know,  
and I want my campaign to be an  
honest one, without any deceit or  
misunderstanding. Respectfully,  
HENRY M. COX.

with LOCAL APPLICATIONS, as they  
cannot reach the seat of the disease. Cat-  
arrh is a blood or constitutional disease,  
and in order to cure it you must take in-  
ternal remedies. Hall's Catarrh Cure is  
taken internally, and acts directly on  
the blood and mucous surfaces. Hall's  
Catarrh Cure is not a quack medicine.  
It was prescribed by one of the best phy-  
sicians in this country for years and is a  
regular prescription. It is composed of  
the best tonics known, combined with  
the best blood purifiers, acting directly  
on the mucous surfaces. The perfect  
combination of the two ingredients is  
what produces such wonderful results in  
curing Catarrh. Send for testimonials free.

For Coroner,  
FRANK SAMPLE.

HENRY M. COX, who was Circuit Court Clerk of Morgan County for eleven years, and during his incumbency one of the most efficient clerks who ever held the position, is now out as a Democratic candidate to represent Morgan and Wolfe in the Legislature. The next General Assembly will, among other things, elect a United States Senator, and all over the State gentlemen who are making the race for Representative have been called upon to avow their choice in that race. At present only two, viz: Hon. J. C. S. Blackburn, the present incumbent and Judge Thomas H. Paynter, have announced for the place. That the people of this legislative district are for the latter is patent, and Mr. Cox in coming out and announcing thus early that he will support Paynter for the U. S. Senatorship strengthens his own race very materially in the minds of the politicians with whom we have talked. In announcing that he is for Judge Paynter Mr. Cox does not wish to antagonize any one who may be for Senator Blackburn, nor is it so much that the people are opposed so bitterly to

Blackburn in supporting Paynter. It is in short, not that they love Blackburn less, but that they love Paynter more. At least that is the conclusion we reach after conversing with citizens of both counties. Then, again, Mr. Cox is led to support Mr. Paynter because he is a neighbor and a native to the manner born, whereas Mr. Blackburn hails from the central part of the State, and Mr. Cox and the people alike think that he can not be as closely identified with our interests as a man who has been raised so close to us. Henry Cox has proved worthy any trust that may be reposed in him by coming out publicly upon this important question, and we bespeak for him a fair consideration of his claims without disparaging the chances of his opponent, Mr. Taulbee.

### Saved by Dynamite.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough kept her awake nights. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At all druggists. Price 50c and \$1.00; guaranteed. Trial bottle free.

If the London Spectator is correct in his count, the Hon. John Hay is half of the statesmen in this country.

Lillian Russell now says her constant companion is Marcus Aurelius. She has had enough experience with easier marks.

### Thousands Have Kidney Trouble and Don't Know it.

**How To Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What to Do.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## HEALTH

"I don't think we could have a house without Theodor's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Because this great medicine relieves stomach pains, frees the congested bowels and invigorates the torpid liver and weakens kidneys.

## No DOCTOR

is necessary in the home where Theodor's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Theodor's Black-Draught cures biliousness, dyspepsia, chills and fever, bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.

### A Creeping Death.

Blood poison creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Then Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at all druggists.

### Commencement at Hazel Green.

The News representative had the pleasure of attending the commencement exercises of the Hazel Green Academy from Saturday until Monday last. Owing to the almost continuous rains the weather was rendered rather disagreeable, but notwithstanding this fact there was a large crowd in attendance at the exercises Saturday evening and Sunday morning.

The annual declamatory contests, both between the young men and the young ladies, were held Saturday evening in the college chapel, there being four in the former and three in the latter contest. Upon a decision of the judges the medals were awarded to Miss Mollie Oney, of Hazel Green, and to Wayne Long, of Morgan County.

Sunday morning the baccalaureate sermon was delivered by Rev. G. A. Miller, of Covington, in the presence of a large audience in the chapel. On Sunday evening at the Christian church he delivered the annual address to the young people of the school in a most eloquent and masterly discourse. The commencement exercises continued until Wednesday but the News representative was unable to remain there longer than Monday and was probably

deprived of the most interesting portion of the program.—Breathitt County News.

### Terrific Race With Death.

"Death was fast approaching" writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles."—Guaranteed at all druggists; price 50c.

### Stricken With Paralysis.

Uncle Ben B. Bigstaff was stricken with paralysis yesterday while on his way from the depot to town. He was taken to the residence of J. R. Blake, where he has received every attention that kind friends could bestow. He is unconscious and speechless as the News goes to press. He will be sent to the hospital at Lexington this evening if it is possible to move him.

He has been in the missionary work in this county for the past 15 years. At the earnest solicitation of friends he quit the work last December to accept the position of Chaplain of the Confederate Home at Pewee Valley but resigned that position the first of the month to take up his work again here, where he had left it off. It is hoped by his many friends here that he will have a speedy recovery.—Breathitt County News.

LATER.—He was taken to the Good Samaritan Hospital, Lexington, where he breathed his last in the presence of four of his old war comrades, though he never regained consciousness. He was buried with Confederate honors in the Confederate lot in Lexington cemetery.

### The Progressive Blue Grass Morning Paper.

There is no question that The Lexington Herald is the best paper ever published in Kentucky outside of Louisville, and for a resident of the Blue Grass or of the mountains it is even a better paper than any published in Louisville. It gives all the news of the Blue Grass and of the mountains, maintaining its special corps of correspondents in all of the counties in which it circulates,

and sparing neither money nor labor to give a paper which gathers the news of its field as with a fine tooth comb.

With full Associated Press service, full market reports, full report from every race track giving results and entries, the baseball results, and with all the local news of Central Kentucky, it is a paper which no citizen of Central Kentucky can afford to do without.

Its subscription price is \$6.00 a year payable in advance, and it can be secured either by an order sent to or given to its agent in any of the towns in the Blue Grass, or at this office, we clubbing with The Herald and offering it and our paper for the sum of \$6.00.

### MOYASHI UDO IS POPULAR.

Japanese Plant with Peculiar Name Possesses Combined Flavor of Pineapple and Lettuce.

One of the products of Japanese farms which may become popular and its cultivation profitable among the nations of the west, says Booklovers Magazine, is moyashi udo, a remarkable salad plant, which is crispier than celery, possesses the combined flavor of pineapple and young lettuce, is devoid of fibers and comes into outdoor maturity in mid-winter. It is predicted by American scientific agriculturists who have been in Japan and noted the flavor, popularity and growing habits of the udo plant, that it is destined to become as famous and as important a table delicacy in Europe and America as asparagus or celery. The udo plant has been grown in the United States purely as a rare ornamental, as it was not supposed to be edible. Now that it is known to possess a value which promises to give it an honorable place with asparagus and similar dishes, its cultivation by American truck farmers may prove decidedly profitable. It is to be remembered that what gives the udo distinctive value is that it matures in the winter time. When served udo salad is as white as snow, and luscious as silk.
